## The Holy Spirit in Action

A Bible Study

Session 1, August 8, 2021

### **Introduction**

This will be an effort to search the Scriptures, both Old and New Testaments, to learn what we can about the Holy Spirit. We need to study the Spirit more because He lives in us and desires to be, among other things, our Leader, Interceder, Comforter, Companion, Equipper and Assurer. We are told in Scripture that we must not quench Him or grieve Him. So, there are plenty of reasons why we need to know Him and let Him do His work within us.

### **Plan of Action**

Pray that we will study with an open mind and that God will lead us to learn as much as we can about the Holy Spirit and His work, while examining our own biases and prejudices in the process.

This will be an “open Bible” study. Whatever version of the Scriptures you use in your studies will be fine. Bring it to class.

It is possible you will see or hear something new or unfamiliar, so bring your notebook and a pen.

While we will likely not have enough time in our sessions to read and discuss every Scripture that mentions the Holy Spirit, we will want to take time privately to study every verse that describes Him and His work. This means that we will try to identify every such Scripture, making a list for all to use in our private reading.

### **Expected Outcomes**

We pray that our studies of the Spirit will

Increase our knowledge and appreciation for the Holy Spirit and His work.

Open our hearts to His leading in our lives.

Embolden us to proclaim His message to our parts of the world.
